Terrain

The terrain contains mostly on well runnable forest to open areas. Height differences are relatively high. Competition area is mostly in the area of Pallas-Yllästunturi national park which means very few vegetation boundaries can be found. Some of the paths are covered with gravel and some are wide. A few main path is marked with wider dotted line.

The border of Pallas-Yllästunturi national park is marked on the map with green dotted line. In terrain the white painted markings are on trees and posts and can be difficult to notice in some places.

Map

Size of the map is A3. Maps are in plastic cover. Control descriptions are printed on the map. Scale of the map is 1: 25 000 or 1: 30 000 depending on the class. Course interval is 5 m. Maps in competitive classes are numbered. In fitness classes team numbers are not printed on the map so the correct class should be checked.

Starts

On saturday there is a mass start for competitive classes at 14:00 and fitness classes at 14:15.

Distance to the start from competition center is 1300 m.

On sunday there is a mass start for competitive classes at 9:30 and fitness classes 9:45.

Distance to the start from competition center is 800 m.

Blue-yellow markings lead to the start from competition center on both days and it must be followed! Starting places will be taken as it is shown in the separate chart at latest 15 minutes before own start time. Maps will be given to competitors' hands but it is not allowed to turn the map before starting signal.

Controls and punching

Emit-punching is used. Each pair will be using two Emit-cards. Pair must stay together at all times during the competition, and visit all controls together. Control descriptions are printed on the map, and there are no separate description sheets available. Punching must be done so that control frame is not damaged.

Competitors must reset Emit-cards on the way to the start. Competitors are responsible on the functionality of the Emit-card and that correct card is used. Model control in the competition center can be used to check the card. Changes to emit card numbers can be made at the competition info before start. Rental emit cards are available at the competition info for 5€. The fee for a lost or unreturned rental EMIT card is 80 euro.

GPS-tracking

On Saturday the gGPS-tracking is used for all pairs of classes H21A, D21A, HDA, D32, D38, H32 and H38. On Sunday GPS-tracking is used for the Saturday's top teams in classes H21A, D21A, HDA, HA and DA. Tracking device will be given on the way to the start.

Own GPS-device and mobile phone during the competition

GPS-device without map screen is allowed to use. Devices with real time GPS-information is forbidden excluding GPS-device from the organizer. Recorded GPS-information is not allowed to use to promote performance. Uploading of recorded routedata to internet is not allowed to do before ending of the competition on Sunday at 15:00.

For safety reasons own mobile phone can be carried but it must be turned off during the race and can be used only in emergency. Pictures of the map shall not be taken.

Finish

Both pairs must come to the finish together. Punching on the finish line must be done. Last punching of the pair gives the finish time. Both pairs must come to the punch checking together on the same unit. Finish will be closed at 19:00 on first day and at 15:00 on 2nd day.

Competition center

Competition center is located at Navettagalleria Karilantie 31, 95970 Äkäslompolo. Competition info and competition office are open on Friday 18.00-21.00, Saturday 10.00-19.00 and Sunday 8.00-15.00.

Lunch will be served at Navettagalleria on both days at 12 euro price. Also sausage, coffee, fresh drinks and pastries.

Competition material

Competition numbers are available in competition center near info. Take your own safety pins for attaching the competition number. Same number is used on both days.

Emit backup cards are available at info and emit-reset point. Competitors are responsible for taking the backup card.

Changes to the competitor information during Saturday or Sunday is charged by 5 euro.

First aid and drinks

The competition center contains a first aid site. Additionally, there is a first aid location in the competition area on both days (marked in the competition map). In the map there is also a phone number, which can be used to get help in emergencies. Taking a mobile phone to competition is allowed for safety reasons, but it must not be used for orienteering. Usin 112-app is recommended.

Own drinks are recommended. In the terrain there is a possibility to get more water at first aid point if needed. Drinking water and sports drink are available at finish.

WC-, dressing- and washing facilities

10 toilets are available at the competition center. Washing and dressing facilities are located at the school of Äkäslompola on Saturday 12.30 – 20.00 and Sunday 8.00 – 16.00. Equipment can be left for safe to the school during competition.

Interruption

Competitors that interrupt the competition must go to the finish and announce during emit check.

Fitness classes

Entries to fitness classes can be done at the competition info on Saturday until 12:00 and Sunday until 8:00. Late announcements can be made to individual classes only. Fitness class fee when the announcement is done at the competition info is 25e/person/day. Mass start Saturday at 14:15 and Sunday at 9:45

Prizes

On Sunday the competition prizes are given based on the combined results of both days. Prizes are given immediately as the results are clear and can be picked from the info. Only classes H21A, D21A and HDA prize giving ceremony is taken.

80th competitor crossing the finish line is awarded on both days for the honor of Pallas-Yllästunturi national park.

Conservation

Any kind of garbage is not allowed to leave in the terrain! Only trash can in the terrain is located at the first aid point.

Welcome!
